EDITOR'S NOTE

The Third International Scientific Conference on Knowledge Society will be held on 2-4 September 2010 at Nessebar, Bulgaria. Like a workshop in the same place and same days will be held IV International Science Conference for Young Researchers "Technical Science and Industrial management".

The ISCKS 2010 addresses academics and researchers working in the Knowledge Society field. The conference offers the possibility to scientists and specialists meet together and to present recent scientific results in the areas of Modern aspects of the Knowledge Society, E-government, Knowledge Management, Modern Technologies in Electrical Engineering and Electronics, Modern Technologies in Machine Building Industry, Modern Technologies in Construction, Information and Communication Technologies, Legal aspects of the Knowledge Society, Economic aspects of the Knowledge Society and Education aspects of the Knowledge Society.

According to the indicative working programme more than 60 scientific papers will be presented at the conference from scientists from Bulgaria, Romania, Russian, Hungary, Ukraine, Lithuania, Latvia, Czech Republic, Slovakia, Kazahstan representing more than 15 universities and Research and Development Centers.

As a result of high scientific level of the papers, The Editorial Board took decision to publish the best from the papers in the present and the following issues of the magazine. All scientific papers were put under independent review from two persons with academic rank. They selected most valued scientific papers.

In this issue of the KSI Transactions on Knowledge Society are published 20 scientific papers from scientific section Knowledge Management. In the next issue will be published scientific papers, connected to the actual questions posed from the Knowledge Economy.

Editorial Board express gratitude to the reviewers for their qualitative and thorough work.
