EDITOR'S NOTE

In the previous issue of the magazine we offer brief information about III International Science Conference Knowledge Society and IV International Science Conference for Young Researchers "Technical Science and Industrial Management. According to the indicative working programme more than 60 scientific papers will be presented at the conference from scientists from Bulgaria, Romania, Russian, Hungary, Ukraine, Lithuania, Latvia, Czech Republic, Slovakia, Kazakhstan representing more than 15 universities and Research and Development Centers.

As a result of high scientific level of the papers, The Editorial Board took decision to publish the best from the papers in the previous, the present and the following issues of the magazine. All scientific papers were put under independent review from two persons with academic rank. They selected most valued scientific papers.

In the previous issue of the KSI Transactions on Knowledge Society we published 20 scientific papers from scientific section Knowledge Management. In the present issue we publish scientific papers, connected to the actual questions posed from the Knowledge Economy.

Editorial Board express gratitude to the reviewers for their qualitative and thorough work.
