EDITOR'S NOTE

In the previous two issues of the magazine we have published the best 41 papers, presented at the International Science Conference Knowledge Society, dedicated to the actual topics on the Knowledge Management и Knowledge Economy. In this high quality scientific forum more than 60 scientific papers have been presented this year at the conference from scientists from Bulgaria, Romania, Russian, Hungary, Ukraine, Lithuania, Latvia, Czech Republic, Slovakia, Kazakhstan representing more than 15 universities and Research and Development Centers.

All scientific papers were put under independent review from two persons with academic rank. They selected most valued scientific papers.

In the previous issue of the KSI Transactions on Knowledge Society we published 20 scientific papers from scientific section Knowledge Management. In the present issue we publish scientific papers, connected to the actual questions posed from the Security management and the management of EU Funds.

In this issue of the magazine is given a place of the several very important aspects in the implementation and management of the operational programme – public communication as a tool, providing public verification of decisions, as well as the way of implementation special policies through the European Social Fund. There is an article, focus on the effective work of audit authorities and financial audit.

Editorial Board express gratitude to the reviewers for their qualitative and thorough work.
