## EDITOR'S NOTE

You hold serial VI-th volume (number 2 – June 2013) of scientific journal “KSI Transactions on Knowledge Society”. Sixth year in a row this scientific magazine is published by the Knowledge Society Institute with support to the Scientific-technical union of Mechanical Engineering, Sofia, Bulgaria.

During this period, Editorial Board has tried to offer its readers valuable scientific researchers from scientists from around the world. This is the reason that from the very first edition all scientific papers are put under independent review from two persons with academic rank. They select most valued scientific papers. Currently, reviewers of the magazine are professors and associate professors from 10 countries and 15 universities.

The magazine is delivered in the university libraries in around the world in order to expand its readers. In this regards, from this year the magazine offers papers only in English language. The articles can be used by scientists from the world as well as from the web-site of the magazine – [www.tksi.org](http://www.tksi.org).

In the same time we offer of all of you not only to read published papers. You could send to our journal results of your investigations, idea and papers on the issues of Knowledge Society.

Another change from the end of the last year is new possibility for submission articles for review. The process is totally automated and the papers are submitted on-line through The Open Journal System. We encourage our readers to become reviewers of the magazine.

In this issue of the KSI Transactions on Knowledge Society we published 10 scientific papers from scientific sections: Management, Finance and Interantional relation.

Editorial Board expresses his gratitude to the reviewers for their qualitative and thorough work.
