EDITOR'S NOTE

Dear readers,
Dear authors and friends,

You hold serial VI-th volume (number 3 – September 2013) of scientific journal “KSI Transactions on Knowledge Society”, published since 2008 from Knowledge Society Institute and Scientific-technical union of Mechanical Engineering, Sofia, Bulgaria.

This year we celebrate the end of the first programming period for Bulgaria as a member state of EU. The next number (December 2013) will be devoted to various policies of the EU.

In this issue of the KSI Transactions on Knowledge Society we published 10 scientific papers from scientific sections: Management and Finance.

All scientific papers were put under independent review from two persons with academic rank. They selected most valued scientific papers. Currently, reviewers of the magazine are professors and associate professors from 10 countries and 15 universities. We encourage our readers to become reviewers of the magazine. For this purpose we create a special registration on the web-site of the magazine – www.tksi.org.

Editorial Board expresses his gratitude to the reviewers for their qualitative and thorough work.

In the same time we offer of all of you not only to read published papers. You could send to our journal results of your investigations, idea and papers on the issues of Knowledge Society.

Kind regards of all our readers!
